

## Technical Project Lead (JDTP0821)

### OUR NEED

MOSIP's open-source-based digital foundational ID system is expanding globally every day. As our operations expand and we make strides in being a key player in the global effort towards making invisible citizens in countries across the world visible in terms of financial equality, healthcare, and democratic rights, we are in search of a strong and capable Technical Project Lead to focus on driving country rollouts and pilots efficiently and promptly.

### KEY RESPONSIBILITIES

- Leading project planning sessions
- Managing project progress and adapting work as required
- Optimising and improving processes and overall approaches where necessary
- Conducting project reviews and creating detailed reports for executive staff
- Assisting adopting countries in defining requirements to meet system needs
- Designing risk mitigation plans
- Coordinating with the MOSIP project team, customer team, and SI team
- Managing relationships between customers and the SI project team
- Overseeing all incoming and outgoing project documentation
- Securing growth opportunities and initiating new projects

### ABOUT YOU

#### Skills and Experience:

- 10+ years of experience in project implementation and stakeholder management
- An understanding of foundational identity systems and open-source ventures
- Experience in launching new products or services
- Strong written and verbal communication skills
- Capacity to manage high stakes situations
- Ability to multi-task and manage various project elements simultaneously
- Demonstrably strong leadership skills
- Big-picture thinking and vision along with keen attention to detail
- Conflict resolution skills
- Experience working outside the home country and/or in an international organisation will be an advantage

**Academic Qualifications:** Bachelor's or Master's Degree in Computer Science or equivalent experience preferred

### **JOB TYPE AND LOCATION**

Full-time consulting position, based in Bangalore, India

### **HOW TO APPLY**

Apply by sending your resumé, not exceeding two pages, along with a 300-word letter of motivation to [nagarajan@mosip.io](mailto:nagarajan@mosip.io).

### **PLEASE NOTE**

*We value the safety of each member of our community. Due to COVID-19, most of our colleagues are working from home. We have implemented a virtual hiring process and interview candidates by phone or through a video call and are onboarding new hires remotely.*
